

## **TDD Winter Show 2022 Costume Requirements**

View the list below to see your costume requirements for the Winter Showcase. As a reminder, we want this to be a low cost event, so if you have a costume item you are not sure about, please contact us or ask your teacher. We recommend that dancers bring costumes into class to let their teachers approve of their costumes prior to showcase. If your dancer chooses to wear hair accessories in addition/or as part of their costume please make sure they are bobby pinned into place. *We HIGHLY RECOMMEND that all dancers that will be changing costumes wear a nude leo or camisole under their costumes to make changing quicker and easier.*
